THANK YOU

Thank you to all of our parents for trusting my faculty and I with your amazing children. It is such an honor to teach them. I am so proud of all of our students and families for persevering during this unprecedented time. It has been amazing to watch the progress and confidence of each child's growth. The improvements from September to now are truly remarkable. Go DMPA!! Unleash the BEAST!!

Thank you to our amazing faculty and staff for sharing your talents and for all of your hard work and dedication. Our faculty is truly a DREAM TEAM! Thank you to all the Moms, Grandmas and Grandpas who helped stone and applique our beautiful costumes: Denise Livia, Jackie Tosado, Luis Colon, Melissa Rodriguez, and anyone I might have accidentally forgotten.

A special thank you to Cheme! Curet for your beautiful custom personalized recital gift designs. Jacque Mercado and Natalie Occhino for editing all of our music. Thank you Tara Curet for being my right hand. I could not have done any of this without you. I love you like a second mama.

****A Very Special Thank You to my husband Dave, my parents, my family and my beautiful son Brayden Michael Rybacki!**
